70%

Mentees Achieved SMART GOALS

100%

Mentees Successfully completed grade level

Girl Talk on the Beach!

We enjoyed a day in the sun, while discussing teen pregnancy prevention, sexual transmitted diseases, and safe sex practices.

Education at the Core

We toured Governors State University, the girls had the opportunity to learn about college admission, programs, funding, and much much more!

"We are committed to our goals."

Goal

To positively impact the growth and development of the youth. As a result of the Angel's Helping Hands Mentorship Program, young girls and boys will have the knowledge, skills, values, confidence, and faith needed to reach their fullest potential and become successful women and men.

Mission

To inspire the youth to reach their fullest potential by providing them with the skills and knowledge necessary for their journey to adulthood and success.

Vision

To make a positive difference in the life of every teen girl and boy apart of Angel's Helping Hands Mentorship Program by contributing to their future success on their journey to becoming women and men who will be positive and productive people of society.

Mentees Reported Improvements

- Less Anxiety and Depression
- Enhanced Confidence and Self-Esteem
- Improved Grades
- Improved Communication Skills
- Improved Relationships with parents, family, peers, and teachers
